

CALL FOR PAPERS

ASSOCIATION FOR LOGIC PROGRAMMING

FIFTH INTERNATIONAL LOGIC PROGRAMMING CONFERENCE

FIFTH SYMPOSIUM ON LOGIC PROGRAMMING

15–19 August 1988—Seattle, Washington

The Association for Logic Programming is sponsoring the first joint meeting of the two principal logic programming conferences. Previous meetings of the International Conference have taken place in Marseille, Stockholm, London, and Melbourne. Previous meetings of the Symposium have taken place in Atlantic City, Boston, Salt Lake City, and San Francisco.

Authors are invited to submit papers on all aspects of logic programming, including (but not restricted to):

- Applications
- Role in artificial intelligence
- Deductive databases
- Relations to other computation paradigms
- Language issues
- Methodology
- Implementations on sequential and parallel architectures
- Theory

Of special interest are applications that exploit the unique character of logic programming.

Papers Due: 1 February 1988.

Paper limits (double-spaced 10-point): Short papers—5 pages; Long papers—10 pages

Notification of Acceptance: 9 May, 1988. Camera-Ready Copy Due: 10 June, 1988.

Send 5 copies of submitted papers to the *Program Chairman*:
